## Bridge Starter Pack

A complete video course to learn bridge from scratch — 10 lessons with summaries and exercises, completely free.

The Bridge Starter Pack is part of the World Bridge Academy on the WBF website. It features 10 high-quality video lessons created by the American Contract Bridge League (ACBL) and generously made available to the worldwide bridge community.

### What's Included

Each of the 10 video lessons comes with:

- **Video tutorial** — clear, step-by-step explanations of bridge fundamentals
- **Written summary** — a text recap of the key concepts covered in the video
- **Multiple choice exercises** — practice questions to test your understanding right away

### Available Languages

The written summaries and exercises are currently available in:

- English
- French
- Spanish

**Help us expand!** With community support, we can add more languages. If you'd like to contribute translations, please get in touch.

## Who Is It For?

The Bridge Starter Pack is perfect for:

- Complete beginners who want to learn bridge from zero
- Players returning to bridge after a long break
- Teachers looking for quality resources to share with new students
- Bridge clubs and federations promoting the game
